1 Assemble the Bird Feeder

1. Attach the Roof
2. Install the Perch (Optional)
- Attach the perch to the bird feeder with hex screws. If you don't need the perch, skip this step.

3. Power On
- Open the battery compartment cover and remove the battery. Remove the insulation sticker, insert the battery, and close the compartment. Charge the battery before use (recommended).

2 Connect and Set Up

1. Download Kiwibit App
- Search for "Kiwibit" in the App Store or Google Play. To reduce the risk of scams or malware, use your phone's built-in camera app to scan the QR codes instead of third-party apps.
2. Follow the In-App Instructions to Complete Setup

3 Install the Bird Feeder

Wall Mount

Pole Mount

4 Install the Solar Panel (Optional, Not Included)

Optional 1

5 Daily Maintenance

1. Refill Bird Food

Adjust the feed switch valve to control the food flow.

2. Clean the Bird Feeder

Before cleaning: Empty the feeder or close the valve.

1 Assembler la mangeoire

1. Fixer le toit
2. Installer le perchoir (optionnel)
- Fixer le perchoir avec des vis hexagonales. Ignorer si non nécessaire.

3. Mise sous tension

Ouvrir le compartiment de batterie et retirer la batterie. Retirer l'autocollant d'isolation, insérer la batterie et fermer le compartiment. Charger la batterie avant utilisation (recommandé).

2 Connecter et Configurer

1. Télécharger l'application Kiwibit

Recherchez "Kiwibit" dans l'App Store ou Google Play. Utilisez l'appareil photo intégré de votre téléphone pour scanner les codes QR en toute sécurité.

2. Suivez les instructions dans l'application pour terminer la configuration

3 Installer la Mangeoire

Montage Mural

Montage sur Poteau

4 Installer le Panneau Solaire (Optionnel, non inclus)

Option 1

5 Maintenance Quotidienne

1. Remplir la Nourriture pour Oiseaux

Ajuster la valve de commutation pour contrôler le flux de nourriture.

2. Nettoyer la Mangeoire

Avant le nettoyage : Vider la mangeoire ou fermer la valve.
